2020 School Year

Welcome to 2020 and the start of another great year at Werrington County Public School. A very warm welcome is extended to all our new students and their families and I look forward to working with you all throughout the year.

We are continuing to plan for the 2020 school year but this has been hindered again with some uncertainties about enrolments. Students will return to their 2019 class for the first few days until our enrolments are finalised. Please let the office know regarding any changes to enrolment.

STUDENT EQUIPMENT LISTS

We will be purchasing Book and Equipment packs for each student for this year. This will be done through a supplier. These will contain their required books for the year as well as the pens, pencils, glue sticks from the equipment lists. You will not need to purchase any of these items.

The cost will be \$20 for Kinder and \$22 for Years 1 to 6. We request that you still supply a pencil case. Payment can be made at the office. Packs will be given to the classroom teachers.

We are finding that the continuing cost of technology is getting greater each year and we need to expend a lot of our budget in keeping this equipment as current as possible.

Year 6 Shirts

Year 6 shirts have been ordered and should arrive soon. Once full payment is made the students will receive their shirts.

Thank you
