## THANK YOU

Thank you to everyone in our school community for their support throughout 2019. It has been an extremely rewarding experience for myself and so many of our students and staff. We look forward to 2020 as another exciting year where we see the further development of all our students.

Thank you to all who attended our County Carols last night – what a great way to end the year with our students showing their amazing talents – and a few in the audience as well.

As this is the last newsletter for the year, I would like to wish each and every one of you a safe and happy Christmas and best wishes for a prosperous new year. I look forward to working with you all again next year.

### GOODBYE AND GOOD LUCK

In 2020 there will be a number of staff changes:

- Mr Wholohan who has achieved a permanent teaching position.
- Miss Sterling who has achieved a position closer to home.

We congratulate them and wish them all the very best for their future careers and will miss them around our playground.

### Congratulations

Congratulations to all our award winners who were acknowledged at Presentation Day. I would also like to congratulate all those students who did not get an award but have improved in their learning and achieved personal goals this year – it is always hard for teachers to decide.

### 2020 School Year

We are continuing to plan ahead for the 2020 school year but this has been hindered again with some uncertainties about enrolments. Students will return to their 2019 class for the first few days until our enrolments are finalised. Please let the office know regarding any changes to enrolment.

### Farewell to Year 6

We held our official farewell for our Year 6 students last Thursday and we will be saying goodbye today as they each make their way under the arch made by the rest of the school students. Many of our Year 6 students have been here since Kindergarten so the teachers have seen them develop from timid five year olds to young teenagers. We trust that they will enjoy their new life as high school students and that they will give their best at all times.

FOLLOW YOUR DREAMS

**STUDENT EQUIPMENT LISTS**

We will be purchasing Book and Equipment packs for each student for next year. This will be done through a supplier. These will contain their required books for the year as well as the pens, pencils, glue sticks from the equipment lists. You will not need to purchase any of these items.

The cost will be \$20 for Kinder and \$22 for Years 1 to 6. We will send a note out early next year. We request that you still supply a pencil case.

We are finding that the continuing cost of technology is getting greater each year and we need to expend a lot of our budget in keeping this equipment as current as possible.
