**TERM 2 WEEK 2      Friday, 8<sup>th</sup> May, 2020**

John Batman Ave, Werrington County 2747  
Phone: 9673 2711    Fax: 9623 1337

A belated welcome to Term 2 in these interesting times. Next week, beginning May 11 we will be entering Phase 1 where we hope all students will be returning for at least 1 day per week. Hopefully your family would have received a call from teachers last week where you were able to discuss the appropriate day for your child / children to attend and also any other issues pertaining to their current lessons. While some will not be returning due to health-related circumstances be assured we are only a phone call away. If your child has borrowed technology can they bring it with them for their time at school.

The students learning will remain the same whether working online from home, working at school or completing the work packs. We will be continuing to update our work packs and they are available outside the school office. Week 3 work is available from today. You can drop off work completed by the students at the same time.

Congratulations to everyone for the amazing job you are all doing in completing your work to the very best you can. It is an expectation that the students are completing work in one of the above formats. We are keeping records as to who is accessing work. If there is no evidence that a child is completing tasks they will be marked as absent. This is a Department of Education requirement.

### Lids4Kids

Firstly, I would like to thank the Werrington County Public School community for their overwhelming support of Lids4Kids. The donations of lids far surpassed my expectations.

Unfortunately due to COVID-19, the Lids4Kids Sydney coordinator is not taking any more lids for the time being.

Envision (who make the prosthetic hands) have also stopped receiving bottle tops to enable them to focus on the processing of the caps they already have.

With this in mind, I have decided that our school will no longer be accepting lids for collection. Once again I thank the school community for their generous support. I also wish to thank the students who have diligently assisted in the cleaning, sorting & counting of the lids.

Mrs Baxter
