Dear Parents/Carers,

It has been wonderful to see our students return to full time schooling this week. Thank you for your efforts in supporting the Learning from Home opportunities for students throughout this term.

We request that all parents/carers remain outside the gates at present and adhere to social distancing guidelines. If you are wanting to talk with teachers or go to the office, please see the teacher at the gate or phone / email the school for an appointment.

Below is information regarding entry and exit procedures.

## **Drop Off**

We thank you for adhering to our current drop off and pick up procedures and ask that you continue with the morning drop off at the school gate.

## **Pick Up**

As of Monday 1st June:

- We will continue to commence exits after student transport has left the driveway.
- Students with their siblings, will exit via the COLA gate in a staggered approach from 2:50pm.
- Students will be directed to commence their exit after 2:50pm if they can see their parents and have notified a teacher.
- Students in Special Education classes will continue to exit via the office gate with their siblings and assistance of their teachers.
- Stage 3 and 4/5G students without siblings will exit via the gate closest to the Year 6 classrooms at the end of the administration block.
- If students cannot see their parents then they will wait with teachers inside their designated gate until 3:00pm.
- Students will be supervised outside of the administration block after 3:00pm whilst they wait for parent pick up.

**Please do not drive in the staff carpark.**

Thank you again for your ongoing support and cooperation in our return to school.
